Description

Description: Construction started with foundation poured and framing about to start! The Dallas Smart Build Rambler Plan offers the perfect blend of functionality and style with its spacious and open floor plan. This 3 bedroom, 3 bathroom home features main-floor living designed for convenience and comfort. The large kitchen is a highlight; complete with quartz countertops, stainless steel appliances, a center island with a breakfast bar, a corner pantry, and an informal dining room with a patio door leading to a future deck. The cozy, vaulted family room includes an electric fireplace, making it the perfect spot to relax. The main floor also includes a separate laundry and mudrooms and a storage closet and boot bench, as well as a private primary suite with an oversized walk-in closet that connects to the laundry room, a private bathroom with a double bowl vanity, and a spacious walk-in shower. An additional bedroom and full bathroom complete the main level. The walkout lower level is fully finished, offering a large family room, third bedrooms and a 3/4 bathroom, providing plenty of space for guests or additional family members. Located in the heart of Rosemount, this home is close to a variety of amenities, including top-rated schools, beautiful parks, and convenient shopping. Rosemount offers a strong sense of community, with annual events like Leprechaun Days, a vibrant arts scene, and access to outdoor attractions such as Lebanon Hills Regional Park and the Mississippi River Greenway. Dining options range from cozy local eateries to popular restaurants, while nearby entertainment and recreation opportunities make Rosemount the perfect place to call home. In addition to the Lakewood Rambler, we offer other move-in-ready inventory homes and customizable floor plans to help you build the home of your dreams.
