Description

Description: New Construction—Without the Wait! Welcome to this custom-built August II split-level home, offering 5 bedrooms, 3 bathrooms, and a 3-car garage—all nestled on a beautiful lookout lot in the desirable Redstone neighborhood of Lakeville. Step inside to a vaulted, open-concept layout designed for modern living and effortless entertaining. High-end finishes throughout include knockdown ceilings, solid 3-panel doors, custom cabinetry with 3” crown molding, granite countertops, hardwood and tile flooring, and upgraded lighting and plumbing fixtures. The gourmet kitchen features stainless steel appliances, an oversized center island with breakfast bar seating, and upgraded cabinetry—ideal for everyday cooking and hosting. An adjacent informal dining room features a patio door leading to a 12x12 deck, perfect for summer grilling and outdoor dining. Relax in the main-level vaulted living room, or retreat to the spacious primary suite complete with tray-vault ceiling, walk-in closet, and private 3/4 bath. The finished walkout lower level adds two more bedrooms, a full 3/4 bath, a large family room, and a dedicated laundry/mechanical room—plenty of space for guests or growing families. The home is located in Lakeville, one of Minnesota’s fastest-growing and most sought-after communities, this home offers access to top-rated schools, abundant parks and trails, and convenient shopping, dining, and commuter access via I-35. Lakeville blends small-town charm with big-city amenities—making it an ideal place to call home. Ask about our available move-in-ready inventory or choose your own lot and floor plan to build the custom home of your dreams!
