Description

Description: The Aspen Rambler Plan offers the perfect blend of functionality and style with its spacious and open floor plan. This 4-bedroom, 3-bathroom home features main-floor living designed for convenience and comfort. The large kitchen is a highlight, complete with granite countertops, stainless steel appliances, a center island with a breakfast bar, a corner pantry, and an informal dining room with a patio door leading to a future deck. The cozy, vaulted family room includes an electric fireplace, making it the perfect spot to relax. The main floor also includes a large laundry/mudroom with an oversized storage closet and boot bench, as well as a private primary suite with an oversized walk-in closet that connects to the laundry room, a private bathroom with a double bowl vanity, and a spacious walk-in tile shower. An additional bedroom and full bathroom complete the main level.
