Description

Description: Flexible living. Thoughtful design. Room for every stage of life. The Phoenix is a spacious two-story home designed for flexibility, function, and the way you live. With options for multigenerational or main-level living, generous gathering spaces, and private retreats, this floor plan easily adapts to a variety of lifestyles. The open-concept main level features a gourmet kitchen with an oversized island, quartz countertops, stainless steel appliances, and designer finishes, flowing seamlessly into the dining and great room. A dedicated main-floor office provides additional space for working from home or everyday flexibility. Upstairs, four spacious bedrooms surround a versatile loft, with a centrally located laundry room for added convenience. The private primary suite features a walk-in tiled shower, separate soaking tub, and generous walk-in closet. The finished lower level adds even more living space with a large family room, additional bedroom, full bathroom, and ample storage. With its flexible layout, spacious living areas, and opportunities for personalization, The Phoenix is designed to grow and change with you.
