

EXPERIENCE THE

ETERNITY HOMES DIFFERENCE

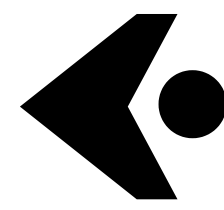

OUR STORY

Founded by Pat and managed by his family, Eternity Homes stands as a distinguished family-owned business from Minnesota. With a solid background in framing, Pat emphasizes the importance of surpassing expectations, starting from the foundation up. With over 40 years of experience, we build quality homes with unmatched craftsmanship. We purchase materials directly, ensuring high-end finishes and substantial savings for our clients.

Eternity Homes is proud to craft beautiful homes for families across Minnesota and Wisconsin.

CUSTOMIZATION

At Eternity Homes, customization is at the heart of what we do. From selecting cabinet finishes and countertop materials to choosing flooring and paint colors, we empower you to personalize every detail of your home. Our process ensures that your new home reflects your unique style and vision, creating a space that's truly one-of-a-kind.

COMMITMENT TO QUALITY

- **Personal Involvement:** Pat is involved in every transaction, ensuring each home meets our high standards.
- **Quality Control:** Our crew meticulously reviews each build to meet buyer specifications.
- **Trusted, Cost-Effective Craftsmanship:** Long-term subcontractors ensure quality, consistency, and cost savings.
- **Attention to Detail:** Every home is crafted with care by professionals who take pride in their work.
- **Warranty & Financing:** Enjoy peace of mind with tiered warranties and flexible financing options to make your dream home achievable.

At Eternity Homes, we stay involved throughout the building process and beyond, ensuring your complete satisfaction.

EXCEPTIONAL DURABILITY

- **Solid Foundations:** Our foundations are made of solid poured cement, which provides higher structural integrity and longevity than block foundations.
- **Enhanced Roofing:** Additional 1/2 inch thick OSB and wrapped in Tyvek for superior durability.
- **Stronger, More Stable Homes:** Trusses spaced 19.2" on center, not 24", for added strength and reduced subfloor deflection.

INNOVATIVE DESIGN.
QUALITY CONSTRUCTION.
FOREVER HOME.
